Humsafar Trust is part of an exchange project between India, Nepal and Bangladesh supported by FK Norway/ Fredskorpset. This project is aimed at improving the healthcare and wellbeing of MSM & TG in India, Bangladesh and Nepal. Through part of this project, each country sends participants to organizations to learn about the best practices adopted by host organizations so that the same can be replicated to strengthen the ongoing HIV intervention program at home country. This program aims at strengthening health education programs, livelihood interventions and sustainability interventions.
